

## Allise Markowski, O.D. CT Vision & Associates, CT

Dr. Allise Markowski received her optometry degree from the New England College of Optometry in 2013 and immediately began her career as an associate working at private practices in Connecticut.

In January of 2020, Dr. Markowski opened her own private practice, Connecticut Vision Associates, in her hometown of Suffield, CT. She focuses on serving the community with high-end medical exams using the latest technology and equipment to help differentiate her practice from others in the area. One of her biggest practice builders has been the utilization of NeuroLens.

## Brian Sirgany, O.D. Sirgany Eyecare, NY

Dr. Brian Sirgany graduated from Ithaca College, The Pennsylvania College of Optometry in 2001. After completing an ocular disease residency at The Eye Institute in Philadelphia, PA, Dr. Sirgany practiced optometry in southern New Jersey for six years. In 2007, he moved back to upstate New York and purchased a non-diagnostic, non-therapeutic optometric office in Homer, NY. In 2012, he purchased another non-diagnostic, non-therapeutic optometric office in Cortland, NY.

After ten years of growth, Dr. Sirgany built a brand new state of the art medical optometry facility in Cortland, NY in 2017. Sirgany Eyecare is the leading medical optometric office in central NY specializing in NeuroLens, orthokeratology, advanced dry eye treatment and scleral lenses.

### Service Specialties:

*Orthokeratology, Prokera*

## Reed Jarvis, O.D. Jarvis Vision Center, KY

Dr. Reed Jarvis left his hometown of Paducah, KY, to pursue his dreams. He graduated Summa Cum Laude from Samford University in 2003 and completed his Doctor of Optometry at the University of Alabama in 2007, all in Birmingham, AL — where he met his wife, Lora. Together, they returned to Kentucky to build a family and provide patient-oriented eye care to Murray, KY, and the communities surrounding it.

"I first became interested in optometry when I received my first eye exam in the first grade. Until I received glasses, I was unaware of all the details in life I was missing. I grew on to develop a passion for affording this same gift of sight that had been given to me!"

**Email:** [reed@jarvisvision.com](mailto:reed@jarvisvision.com)

## Stacie Virden, O.D. Waco Vision Source, TX

Accepted into the University of Houston College Optometry through early admissions, Dr. Virden concurrently completed her Bachelor of Science in Optometry and Doctor of Optometry degrees in 1995 and 1997, respectively. She served on the Texas Optometric Association Board of Directors from 2003-2011, serving as the Association's President in 2009. She currently serves on the Board of Directors of the University of Houston College of Optometry's Foundation for Education and Research in Vision and is a Vision Source Administrator.

Dr. Virden founded Waco Vision Source in 2001 with a focus on prevention. NeuroLenses have proven to be a perfect fit in the practice between myopia management for kids and ARM prevention for older adults. She also lectures on the latest advancements in contact lenses. Dr. Virden is a Fellow of the American Academy of Optometry, as well as a Diplomate of the American Board of Optometry.

### Service Specialties:

*Specialty Contact Lenses, Preventive Care for Dry Eye and Macular Degeneration, Myopia Management, NeuroLens Specialists*

**Email:** [drvirden@wacovision.com](mailto:drvirden@wacovision.com)

**Phone:** (254) 744-4411

## Tammy Vo, O.D. Look + See Vision Care, TX

Dr. Tammy Vo graduated with High Honors from the University of Texas at Austin. She received her doctorate and graduated Magna cum Laude from the University of Houston College of Optometry. In her final year, she completed two prestigious clinical rotations in Dallas.

The first was at Cedar Springs Eye Clinic with emphasis on primary care and treatment and management of posterior ocular diseases such as glaucoma, diabetic retinopathy, and cataracts for a largely indigent population. Her second rotation was at Plaza Vision Center, with emphasis on specialty contact lens evaluations for anterior diseases such as keratoconus, pellucid marginal degeneration, post-graft, and other corneal irregularities.

Dr. Vo is a friendly, outgoing person who is truly passionate about optometry and stays up to date with the newest and latest technology to provide the best experience for patients. Her favorite part about the job is spending extra time with patients, getting to know them, and seeing them back year after year.

## Tim Poirier, O.D. The Eye Institute, NC

Dr. Timothy Poirier was born in California and raised in Birmingham, Alabama. He graduated from Auburn University with a bachelors of science in Biological Science. Dr. Poirier earned his Doctor of Optometry from the University of Alabama Birmingham in 1992. Dr. Poirier opened his own practice in 1997 in Knightdale, North Carolina and has grown to five clinics serving the Raleigh and Charlotte areas. Dr. Poirier has extensive experience in the management of dry eye disease and contact lens.

Dr. Poirier lives in Raleigh with his wife Kristin and enjoys spending time on the golf course and at the North Carolina coast. Dr. Poirier loves sharing his knowledge with other optometrists to grow the field. Dr. Poirier has been fitting NeuroLens successfully for four years and is passionate about how NeuroLens can change the lives of his patients for the better as well as how NeuroLens can help optometrists grow their practice offerings.

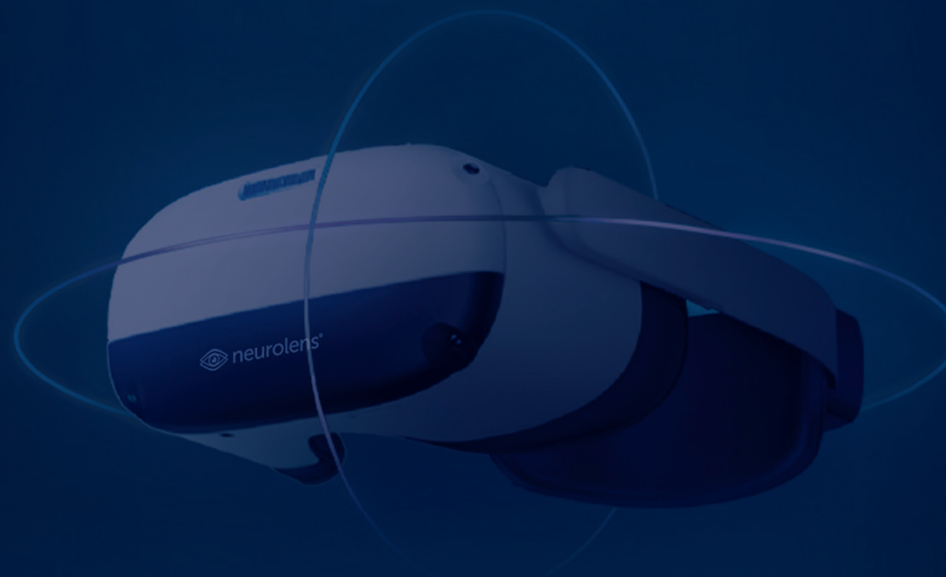

### Service Specialties:
