 **NEUROLENSES**[®]

SMALL CORRECTION

BIG DIFFERENCE

Clinically driven designs. Proven results.

Backed by science, Neurolenses are the only demonstrated optical solution for the painful symptoms of eye misalignment.

Neurolenses have shown:

- ✓ Similar **headache symptom relief** compared to other pharmacological interventions*
- ✓ **Unmatched safety profile** compared to other pharmacological interventions*
- ✓ 60% increase in incremental **reading speed**†
- ✓ 78% of patients reported a reduction in symptoms of **Digital Vision Syndrome**‡

80%

More than 80% of patients experience **headache relief** with Neurolenses§

§ Krall, J., Nelson, C. Colvard, M. A *New Treatment for Refractory Chronic Daily Headache*

“ I was taking medication every day and paying to visit the chiropractor or get massages every week.

I don't do any of that anymore since getting my Neurolenses. ”
