

NEUROLENS AT VSE 2025

Wednesday, Apr 30

Staff Development Studio

9:00 AM - 9:50 AM

Room 205

Next-Level Patient Outcomes

Feat. Heather Martin & Julie Franklin

Learn from Heather and Julie how you can provide next-level patient outcomes and get answers to the most frequently asked questions by practitioners and patients.

Learning & Development Session

10:00 AM - 10:50 AM

Four Seasons Ballroom 3&4

New Technologies, Elevated Practice Outcomes

Feat. Dr. Kaitlyn Kelley

The course will introduce the various roles and applications of new technologies in shaping patient outcomes. The attendees will be presented with effective assessment tools and treatments that most practitioners can start prescribing easily.

Staff Development Studio

2:00 PM - 2:50 PM

Room 201-203

Next-Level Practice Outcomes

Feat. Heather Martin & Julie Franklin

Moderator: Matias Reinhardt

Join us for a panel discussion with Heather and Julie, moderated by Matias, as they discuss how Neurolens can help your practice and team reach the next level and how to optimize your patient flow to achieve next-level patient outcomes.

Friday, May 2

Main Stage

8:51 - 8:58 AM

Mile High Ballroom

Ascend Beyond 20/20: Neurolens Main Stage Presentation

Feat. Adwin Springer, Bill Kastein

Hundreds of Vision Source practices have already started their journey of bringing life-changing symptom relief to patients while simultaneously capturing industry-leading practice profitability. Hear their stories and how you can do the same!

Expanded Content Session

11:30 AM - 12:15 PM

Room 103 - 105

Ascend Beyond 20/20: Differentiate Your Practice by Ensuring Your Patients See Clearly AND Feel Better with Neurolens

Feat. Stacie Virden, OD; Lisa Greene, OD;

Christopher Wolfe, OD; Heriberto Ramos, OD

Moderator: Bill Kastein

Join the Neurolens Expanded Content Session and hear how Neurolens enables these doctors to provide differentiated patient care, grow their practices, and Ascend Beyond 20/20.
